TeamTech EHS is an ISO 9001:2015 certified premier consulting firm specializing in Environment, Health, Safety, Sustainability, and Social (EHSS&S) solutions, headquartered in Bangalore, India, with a branch office in Windhoek, Namibia.

We specialize in delivering tailored solutions to meet your specific needs, encompassing EHSS&S training, audit services, compliance management, system design and implementation support. It is worth mentioning that we have successfully collaborated with over 300 clients across ten countries in the past five years. Furthermore, we have provided extensive ESG consulting support to more than 30 of India's top 1000 listed companies based on their market capitalization.

At TeamTech EHS, our comprehensive consultancy services are meticulously crafted to cater to businesses of all sizes, ensuring sustainable results from your operations. As our tagline suggests, we are your trusted partner for enhancing sustainable brand value. Our team comprises highly experienced consultants and associates hailing from diverse industries, enabling us to serve a wide range of businesses. Whether your industry is IT&ITES, Pharmaceutical, Construction, or Oil & Gas, we possess resources with relevant and expert experience and knowledge that you will find invaluable.

You can count on us to provide you with peace of mind through our all-in-one approach to sustainability consulting. Whether you require due diligence assessments, compliance audits, or technical training programs, our team of highly qualified staff, equipped with extensive experience in their respective fields, is at your service.

By choosing TeamTech EHS as your EHSS&S consulting partner, you can rest assured that you will receive top-notch expertise, personalized solutions, and reliable support to help you achieve your sustainability goals. Contact us today and embark on a journey towards a sustainable future.

STRATEGY

VISION

To be a leading provider of innovative Environment Health Safety Sustainability and Social (EHSS&S) solutions, promoting sustainability, safety, and social responsibility. We aim to go beyond compliance, inspiring organizations to create a safer, healthier, and more sustainable world for future generations.

MISSION

At TeamTech EHS, we help organizations achieve their EHSS&S goals through expert guidance and customized solutions. Our focus is on improving efficiency, reducing risks, and ensuring environmental and social responsibility. With our expertise and commitment, we strive to be the trusted partner for businesses seeking sustainable growth and lasting impact.
